ANNUAL REPORT OF THE SCHOOL BOARD

ANNUAL MEETING—1925.

The Annual Meeting of the Bedford School District was held at the Town Hall on Wednesday, March 4, 1925, at 2:00 P. M. The following officers were re-elected for the ensuing year:

Moderator, William Melendy.

Clerk of School District, Frank E. Manning.

Treasurer, William S. Manning.

Mrs. Bertha French was elected a member of the School Board for three years, and the town auditors were elected school auditors for the ensuing year. The district voted to adopt the budget of \$10,593.90 recommended by the School Board, and also voted the following additional sums of money:

For salaries of district officers.....	\$200.00
For payment of notes	2,250.00
For repairs to school buildings	300.00
Fencing and grading No. 6 grounds.....	125.00

The following additions to the Budget are
required by law:

High School and Academy tuition	3,000.00
Amount of per capita tax (\$2 per pupil)	488.00
Budget	10,593.90

The total to be assessed being therefore \$16,956.90

The district also voted a deficiency appropriation of \$655.15 to be added to the funds for the school year 1924-1925, the large increase in the number of our students attending out-of-town high schools making this appropriation necessary.

The Medical Inspection Act was dismissed, a more satisfactory plan of health supervision having been arranged by the School Board working in co-operation with the State Board of Education.

The School Board was authorized to exchange a part of the No. 6 school land with the Catholic Cemetery authorities. The district decided to dismiss the articles authorizing the School Board to sell the old school buildings at No. 7 and No. 10. A committee consisting of Mr. Hull, Mrs. Melendy and Mrs. Crowell was appointed to investigate conditions in Districts Nos. 3, 4, and 5, and to report with recommendations to the next School Meeting.

THE SCHOOL YEAR.

At a meeting of the new School Board held after the District Meeting the Board was organized for the year 1925-26, with Mr. H. S. Wonson as Chairman, and with Mr. Wonson as Clerk until July 1st, 1925, and Mrs. Bertha French as Clerk after July 1st, 1925.

At a meeting of the supervisory union held on May 13th, at the residence of Mr. A. J. McKelvie, Bedford Center, Mr. J. Byron Tarney was again unanimously re-elected superintendent. Mr. Tarney's work as superintendent has, as in previous years, been most satisfactory, and the Bedford School District has been very fortunate in having the continued services of so loyal and efficient a public servant.

The supervisory union also adopted the following school calendar for the school year, 1925-1926.

REPORT OF SUPERINTENDENT OF SCHOOLS.

To the School Board and Residents of Bedford:

In this present year, the fourth year of my supervision in this district, the teaching staff is as follows:

No. 1 primary, Miss Jennie Abbott; No. 1 grammar, Miss Amie Nichols; No. 3, Miss Dorothy King; No. 5, Miss Mildred Kelley; No. 6 primary, Miss Jennie Cashion; No. 6 grammar, Miss Edna Pressey; No. 8, Mrs. Nettie Tarr; No. 11, Miss Alice Damaziak.

Of these teachers only two are new. This indicates but few changes and few changes are for the advantage of schools. Miss Kelley at No. 5 is a graduate of Manchester High School and of Keene Normal. This is her first teaching experience outside of practice teaching at Normal. At No. 11 is Miss Damaziak, a High School graduate, with three summer sessions at Keene and previous experience of two years.

The enrollment in schools has increased somewhat this year in certain schools. Owing to the small number of pupils at No. 9, this school was not opened, arrangements having been made by the School Board for the transportation of pupils to No. 1. This has worked out in a most satisfactory way. In order to prevent overcrowding at No. 5, two families who live less than two miles from the center were asked to send their children to No. 1. They willingly acted upon this suggestion. Since that time two other pupils, of their own accord and with not only the consent but with the advice of parents, asked to be transferred to No. 1. The result has been that the rooms at No. 1 have been filled. The number of pupils at No. 5 have been reduced by sending upper grades to the center. This affords a better opportunity

for instruction at No. 5 by reducing pupils and classes. Even so, No. 5 still has all it should have.

At No. 3, twenty-three are on the Register. At the time of writing this report there is a rumor that a new family, having school children, is to come into the district. The building at No. 3 is very old and small, is now crowded, and difficult to heat and ventilate properly.

The Register at No. 11 shows twenty-nine different pupils, so at the present time, No. 3 and No. 11 are crowded. No. 5 has all it should have for a building of that size.

The school in District No. 4 was not opened in the fall, as a study of the district showed but few pupils who would attend. After a few weeks, however, the School Board received a communication, giving a list of "prospective" pupils and asking that the school be opened, but an examination of the proposed list of pupils showed a number already taken care of at No. 5 and No. 11. The rest were in attendance at Parochial Schools in Manchester. After some home calls it became entirely evident that nearly all of these with two or three possible exceptions would remain in the Parochial Schools even if No. 4 were opened. After getting at the facts and talking with the families involved, the School Board did not feel there was any occasion for securing a teacher and opening the No. 4 school.

At the School Meeting a year ago a Special Committee was "appointed to see what action the District will take to alleviate conditions in district Nos. three, four and five." The committee, consisting of Mrs. Crowell, Mrs. William Melendy and Mr. Hull, visited these schools with the School Board and Superintendent.

Of the twelve graduates from our schools last June eight entered High School. The list of Bedford pupils who have been in High School some time during the present year follows:

McGAW INSTITUTE.

Mabel Pearson

MILFORD HIGH SCHOOL.

Frank Barnard

Lloyd Parkhurst

GOFFSTOWN HIGH SCHOOL.

Ruth Hodgman

Annie Peaselee

Harriet Shepard

Milton Spencer

Alfred Mailhot

Earl Sweatt

To summarize:

McGaw Institute	1
Goffstown	2
Milford	2
Manchester High	4
West Side High	23
	—
Total	32

The tuition charge in Manchester for those entering this year is \$97.65. However, as Bedford previously voted to pay the full tuition which was then \$133, the present rate of \$97.65 means that the cost per student in Manchester is less than estimated.

The Health Supervision this year is taken care of by Miss Edith Walker, School Nurse, and Dr. Coburn who makes examination of pupils once each year. The nurse constantly discovers children in need of medical or surgical attention in order to fit them for better work at school and to give them a better chance in later years. Along with these individual cases of help, there is the usual "preventive" attention health instruction.

Regarding conditions at No. 3 and 5 especially, nothing will be recommended here, as the Special Committee appointed last year will make whatever report they may see fit to do. Just this word. If we are to continue using the buildings for years to come very thoroughgoing repairs, and possibly extensions will need to be made at a very early period.

In closing let me again add my word of sincere appreciation for the intelligent and complete co-operation that I have always had from the members of the School Board. In this co-operation and in the loyalty of the teachers to their work lies the source of whatever may have been accomplished in the schools. As a group of professional workers it would be difficult to find anywhere in any calling a group that works more continuously and wholeheartedly than they.

Respectfully submitted,

J. BYRON TARNEY,
Superintendent of Schools.
